EDUCATION

Maharishi Markandeshwar (Deemed to be University)

Ambala, Haryana

Bachelor of Technology in Computer Science and Engineering (CGPA: 8.02)

2022 – 2025

Government Polytechnic Darbhanga

Darbhanga, Bihar

Diploma in Computer Science and Engineering (CGPA: 8.38)

2019 – 2022

SKILLS

Programming Languages: C, C++, JavaScript, Java

Frontend Development: HTML, CSS, React.js, jQuery, Bootstrap

Backend Development: Node.js, Express.js, EJS, Servlet, JSP

Database Management: MySQL, PostgreSQL, JDBC

Web Technologies: RESTful API Development, API Testing (Postman)

PROJECTS

SQLifyJSON

[View Live Project](#)

[Source Code](#)

- Created an npm package to convert JSON into SQL INSERT statements for easier database migration and automation.
- Used **Node.js**, **JavaScript**, and **NPM** to build and publish the package, ensuring efficiency and scalability.
- Achieved **20% faster query generation** compared to manual SQL writing, improving workflow automation for developers.

OpportuNiti

[View Live Project](#)

[Source Code](#)

- Developed a job portal for easier job search and hiring.
- Built the application with **React.js**, **Node.js**, and **PostgreSQL**.
- Implemented a **real-time job posting system** to enhance platform responsiveness.

LastMinuteCorner

[View Live Project](#)

[Source Code](#)

- Built a **live football score streaming platform** using **React.js**, **Node.js**, and **API integration**.
- Integrated APIs for fetching real-time football scores.
- Implemented a real-time data feed for match tracking.

CERTIFICATIONS

- **The Complete 2024 Web Development Bootcamp** (Udemy) [Certificate Link](#)
- **C, C++, Data Structures & Algorithms** (MySirG.com) [Certificate Link](#)

ACHIEVEMENTS

- Achieved **500+ weekly downloads** for the **SQLifyJSON** npm package, streamlining database migrations and automation for developers.
- **Ranked 2,540 in a LeetCode Weekly Contest**, competing among thousands of participants globally
