PROFESSIONAL SUMMARY

Full-Stack MERN Developer focused on building scalable, high-performance web applications from frontend to backend. Skilled in MongoDB, Express.js, React.js, and Node.js, with experience in RESTful API development, authentication (JWT), and database design. Dedicated to writing clean, maintainable code and delivering responsive, user-friendly interfaces.

TECHNICAL SKILLS

- **Languages:** Java, JavaScript
- **Frontend:** React.js, Redux, HTML, CSS, Tailwind CSS
- **Backend:** Node.js, Express.js
- **Database:** MongoDB
- **Development Tools:** Postman, VS Code
- **Version Control:** Git, GitHub

PROJECTS

Portfolio

[Link](#)

- Built a responsive personal portfolio website using React.js, JavaScript (ES6+), HTML5, and CSS3.
- Implemented Framer Motion animations for smooth transitions and interactive section reveals.
- Integrated the Lottie library to display lightweight, high-quality vector animations.
- Designed and developed a hidden Easter Egg game featuring limited visibility mechanics to enhance engagement.
- Focused on modern UI/UX principles with clean layout, intuitive navigation, and interactivity.
- Ensured responsiveness and optimized performance for desktops, tablets, and mobile devices.
- Applied scalable, reusable components and best practices for maintainability and long-term growth.

NoteMind AI

[Link](#)

- Developed a full-stack Notes Taking Application implementing complete CRUD functionality for efficient note management.
- Implemented secure JWT-based authentication for user signup, login, and protected route access.
- Integrated Speech-to-Text functionality, enabling users to create notes using voice input.
- Incorporated an AI-powered summarizer using the DeepSeek model to generate concise summaries of user notes.
- Ensured a responsive and user-friendly interface for seamless note creation, editing, and organization.
- Added a dynamic search functionality, allowing users to quickly filter and find specific notes based on keywords.

EDUCATION

Sapthagiri College of Engineering

Information Science and Engineering

- Cumulative GPA : **7.43/10.0**

MES BRS PU College

Second year Pre-University Examination

- Percentage : **75**
