PROFILE

I am **Kailash Mali**, a dedicated and collaborative **Frontend Developer** with a passion for creating exceptional digital experiences. With over **3+ years of hands-on experience** in web development, I have a strong programming background in building **client-server applications, websites, and single-page applications (SPAs)** using modern technologies and frameworks. My expertise includes **React.js, JavaScript, and SQL Server**, enabling me to develop scalable and efficient full-stack solutions. Additionally, I have worked on **US-based projects as a freelancer**, delivering high-quality solutions and collaborating with international clients.

PROFESSIONAL EXPERIENCE

Frontend Developer
New Star Infotech Pvt. Ltd. Ahmedabad
Dec 2023 – Present | Ahmedabad Gujarat

- I join this as a front-end developer.
- Here I lead one project in which we develop an ERP system.

Full Stack Developer
Sixsigma Cloud Solutions Pvt. Ltd. Ahmedabad
Oct 2022 – Nov 2023 | Ahmedabad Gujarat

- I join this as a trainee; they give me training as a full-stack developer. The training period is 3 months.
- In those 3 months, I got a good grip on React JS and SQL Server and a little bit on .NET.
- After completion of my training, I moved to work on projects like CRM.
- Till this year, I worked on Project CRM as a front-end developer.
