EXPERIENCE

CodexIntern

Aug 2025 – Oct 2025

Frontend Developer Intern

Remote

- Contributed to frontend development for 2 client projects using React.js and Redux.
- Built and maintained 5+ responsive web pages with HTML5, CSS3, and JavaScript.
- Improved page load speed by 30% through code splitting, lazy loading, and memoization.
- Collaborated with backend team to integrate 10+ RESTful APIs and resolved 15+ bugs.
- Conducted weekly code reviews and wrote technical documentation.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Redux Toolkit, Tailwind CSS, Bootstrap

Programming: C++, C, JavaScript, Data Structures & Algorithms, Object Oriented Programming (OOP)

Developer Tools: Git, GitHub, VS Code, Chrome DevTools, Postman, Netlify, Vercel

Databases: MySQL, Firebase, MongoDB (Basics)

PROJECTS

Swiggy Clone | *React.js, Redux, Tailwind CSS, REST API*

July 2025

- Developed responsive food delivery web app with restaurant listings and cart.
- Added search, filter, and sort for 50+ restaurant entries with real-time updates.
- Built state management using Redux Toolkit, reducing cart operations by 40%.
- Integrated Swiggy public API to display restaurant menus with 200ms response time.
- Deployed on Netlify with 95+ Lighthouse score. [\[Live Demo\]](#)

LeetMetric | *React.js, Tailwind CSS, Chart.js, LeetCode API*

December 2025

- Built dashboard to fetch and display LeetCode user statistics via public API.
- Created charts showing problem difficulty distribution and submission activity.
- Designed submission heatmap tracking 6 months of coding history.
- Built responsive UI with Tailwind CSS for mobile and desktop.
- Reduced API calls by 60% with caching strategy. [\[Live Demo\]](#)

ACHIEVEMENTS

Coding Profiles

- Solved 350+ problems on LeetCode and 250+ problems on GeeksforGeeks.
- Earned 2 Master, 6 Specialist, and 13 Achiever badges on Coding Ninjas platform.
- Maintained 200+ day streak on LeetCode.
- Earned HackerRank Problem Solving certification (Oct 2025).

EDUCATION

Dr. A. P. J. Abdul Kalam Technica, Lucknowl University, Lucknow

2022 – 2026

Bachelor of Technology in Computer Science | CGPA: 7.5/10

+2 High School, Gaya (Amas)

2020 – 2022

Senior Secondary Education | Percentage: 75%
