INTERNSHIP

BCS Infallible Technology

Agra

Call Center Web Application

Sep 2025 — Jan 2026

Tech Stack: React.js, Node.js, Express.js, MySQL

- Developed a role-based system with separate Admin and Caller login.
- Implemented employee registration and image upload functionality.
- Built Admin dashboard to manage employees and company data.
- Assigned callers to specific companies and displayed data accordingly.
- Integrated APIs with MySQL for dynamic data handling.

Attendance Management System

June 2025 — August 2025

Tech Stack: React.js, Node.js, Express.js, MySQL

- Designed and developed a scalable web-based Attendance Management System.
- Implemented employee attendance tracking with full CRUD functionality.
- Built and integrated RESTful APIs for reliable frontend–backend communication.
- Used MySQL queries for fast data retrieval and accurate attendance reports.
