Programming Languages: JavaScript, HTML, CSS

Frameworks & Libraries: React.js, React-Native, Node.js, Express.js

Databases: MongoDB, SQL

Tools & Platforms: VSCode, MYSQL Workbench, Git, Github

Certifications: Web Development, Javascript, React.js

EXPERIENCE

Cyberoze New Delhi, FullStack Developer

Jan 2025 - Till

React Native, Node.js, Express.js, REST API, MongoDB

- Worked on a delivery-based project with a module-wise development approach.
- Developed RESTful APIs using Node.js and Express.js
- Tested APIs using Postman to ensure proper functionality.
- Integrated backend APIs with frontend when required.

SOFTMIND INFOTECH PVT LTD, Noida

Dec 2024 – June 2025

- Worked on various exciting tasks that helped enhance my skills in web development.
- Built and optimized web pages.
- Assisted in adding new components and features to existing applications, enhancing user engagement and interactivity.

PROJECTS

MyEntreo

React Native, Node.js, Express.js, Rest API, MongoDB

- Worked on a delivery application for Android and iOS platforms, supporting three user roles: User, Business, and Delivery Partner.
- Built RESTful APIs using Node.js and Express.js
- Worked in a module-based development environment and tested APIs using Postman
- Developed RESTful APIs for chat functionality, follow/unfollow system, and rating & review features.
- Designed and managed MongoDB collections for efficient data storage
- Integrated backend APIs with frontend and developed some UI screens

VoxAI

HTML, CSS, JavaScript, React.js, React Router

AI Chatbot with Voice Assistant Image Generation.

- Developed an AI chatbot with voice interaction and image generation
- Created a chat interface where users can ask questions and receive AI-powered responses.
- Designed an image generation interface where users can generate images using AI.
- I have worked with Hugging Face API for image generation and Gemini API for Chat
- Integrated a voice assistant into both the chat and image generation interfaces

KEY ACHIEVEMENTS

- Achieved 4 Star Coder on Hacker rank
- 406 rank in UPCET Exam
