PROFESSIONAL EXPERIENCE

Atomic North | Junior Developer

March 2025 – Present

- Built and maintained full-stack web applications using the MERN stack, delivering scalable features, responsive UIs, and secure API integrations.
- Assisting and working along senior members with Node.js, Express.js, and MongoDB to gain hands-on exposure to backend development and APIs.
- Collaborated with a team of developers to deliver high-quality, maintainable code, ensuring cross-browser compatibility and performance optimization.

KODERS | Developer Intern

July 2024 – Dec 2024

- Developed and optimized responsive web applications using the MERN stack, ensuring high performance, scalability, and cross-browser compatibility.
- Integrated Discord.js bot functionalities and collaborated with the team to deliver maintainable code, efficient backend services, and seamless user interactions.

Brainwave Matrix Solutions | Full Stack Developer Intern

June 2023 – Aug 2023

- Developed a full-stack camping review website, PG Life. Implemented features such as user authentication, interactive functionalities with JavaScript, responsive UI with React and Bootstrap, and database integration with MongoDB.

EDUCATION

BACHELOR OF TECHNOLOGY - B Tech | MAY 2024 | UTTARANCHAL UNIVERSITY, DEHRADUN, UTTARAKHAND
