EDUCATION

KIET Group of institutions, Ghaziabad
Bachelor of Technology, Information Technology
Govt. Polytechnic Alapur, Budaun
Diploma, BTEUP

Sep. 2021 – Jul. 2024

Jul. 2018 – Sep. 2021

INTERNSHIP

SmartBrains Engineers and Technologist Pvt. Ltd, Noida
Web Development

Oct. 2024 – Apr. 2025

- Developed responsive and user-friendly web interfaces using HTML, CSS, and JavaScript, ensuring cross-browser compatibility.
- Implemented interactive features, animations to enhance user engagement and improve website usability.
- Optimized web pages for faster load times and improved performance through efficient coding practices.

Wipro Talent Next
Front-end Development

June. 2023 - Dec. 2023

- Designed and developed responsive web interfaces using HTML, CSS, and JavaScript.
- Collaborated with developers and designers to implement interactive UI features.
- Gained hands-on experience in modern web development practices and code optimization

PROJECTS

Random Password Generator | *HTML, CSS, JavaScript*

- Implemented customizable password generation with adjustable length.
- Added checkbox options to include uppercase letters, lowercase letters, numbers, and symbols.
- Integrated a password copy feature, allowing users to copy generated passwords to the clipboard.
- Utilized event listeners and DOM manipulation for real-time UI updates and dynamic interactions.

Weather App | *HTML, CSS, JavaScript*

- Developed a responsive weather application using JavaScript to display real-time weather data based on user location or manual input.
- Integrated third-party APIs to fetch live temperature, humidity, wind speed, and weather conditions using asynchronous API calls.
- Implemented search functionality for city-based forecasts and geolocation support to auto-detect current location.
- Designed a clean and intuitive UI using CSS for an optimal user experience on both desktop and mobile.

CRM Dashboard | *HTML, CSS, JavaScript, React JS*

- Developed an interactive and responsive CRM Dashboard to manage customer data and visualize key business metrics.
- Implemented dynamic UI components in React.js with modern, mobile-first design.
- Integrated data filtering, sorting, and visualization features to track customer engagement .
- Enhanced user experience with state management and reusable components, ensuring scalability and maintainability.
