Summary

I’m a React developer who loves solving real-world problems and building clean, reusable components. I focus on performance, usability, and writing clear, maintainable code. React feels second nature to me, and I take ownership of my work—whether solo or in a team—to deliver reliable, user-focused solutions.

Skills

Languages:

Javascript, Python

Frontend:

HTML & CSS, React, JavaScript

Backend:

Node.js, Express

Database:

MongoDB, SQL, XAMPP

Tools:

VS code, Github

Education

Aravali College Of Engineering and Management

2021-2025

Computer Science and Engineering (AIML)

Bachelor of Technology (B.Tech)

7.77 CGPA

Veer Chandra Singh Garhwali G.S.B.V (CBSE)

2020-2021

PCM 83%

Class XII

Experience

Habitit Tranquil

Jan 2025 -July 2025

Software Developer Intern

- Worked on developing and debugging application features to improve performance and usability.
- Assisted in building, testing, and optimizing software modules in a collaborative team environment.
- Contributed to front-end/back-end development tasks, enhancing overall product functionality.

Infosys Foundation & ICT Academy

Sep 2024 - Nov 2024

Trainning

- Participated in college-based training by Infosys Foundation & ICT Academy, improving my programming and industry-ready skills.
- Worked on Microsoft Azure to build and deploy projects like sentiment analysis and chatbots.

Projects

E-Commerce Website: Built a MERN-stack e-commerce site with product display, cart, and user login for a smooth shopping experience. [[Live: e-commerce.com](https://e-commerce.com)]

Sentiment Analysis: Developed a Python-Streamlit sentiment analysis app that classifies text as positive, negative, or neutral in real time. [[Live: sentiment.com](https://sentiment.com)]

Typing Test: Created a typing test app with real-time timer, accuracy check, and WPM calculation to track user performance. [[Link: typing.com](https://typing.com)]

Portfolio Website: Designed and developed a personal portfolio using React, HTML, CSS and Bootstrap to showcase projects, skills, and contact details. [[Live: portfolio.com](https://portfolio.com)]

Certifications

Artificial Intelligence Course
