Pune, India

Summary

Frontend Developer skilled in developing scalable and responsive web applications using React.js and modern JavaScript. Experienced in REST API integration, component-based architecture, and optimizing UI performance for seamless user experiences.

Education

B.Tech in Computer Science & Engineering

June 2025

Dr. Babasaheb Ambedkar Technological University, Lonere

CGPA: 7.5

Experience

Software Developer Intern

Apr 2025 – Jul 2025

Rytnow Systems Pvt. Ltd., Aurangabad

- Built dashboards and reusable UI components using **React.js**, improving responsiveness.
- Integrated REST APIs with **Redux Toolkit**, optimizing state handling and load times.
- Contributed to NPD modules: enquiry tracking, CFT meetings, APQP planning, milestones.
- Improved validations, error handling, and UX via optimized component design.
- Collaborated with backend using **Node.js, Express.js, MySQL**.

Projects

AI-Based Data Visualization Platform

Jan 2024 – Apr 2024

- Developed visualization tool with Excel upload and auto-generated 2D/3D charts.
- Built reusable chart components and optimized rendering speed.
- Integrated AI API for predictions and anomaly detection.

Tech: React.js, Express.js, MongoDB, Chart.js, Three.js, Python

Technical Skills

- **Programming:** C, JavaScript, Python
- **Frontend:** React.js, Redux Toolkit, JavaScript (ES6+), HTML5, CSS3
- **Backend:** Node.js, Express.js, REST APIs
- **Database:** SQL, MySQL, MongoDB
- **Tools:** Git, GitHub, AWS, Postman, JIRA, WordPress
- **UI/UX:** Figma, Wireframing, Prototyping
- **Visualization:** Three.js, Blender, Chart.js
- **Other:** Component Architecture, API Integration, Performance Optimization, DSA, OOP

Certifications

- Responsive Web Design — freeCodeCamp
- Front-End Development Libraries — freeCodeCamp
- JavaScript Algorithms & Data Structures — freeCodeCamp
- Cloud Fundamentals — AWS
- ProtoPie 101 Crash Course
- AWS Solutions Architect Associate (2025) — Udemy

Activities & Leadership

- **TEDxDIETMS — Speaker Coordinator (2022):** Managed speaker coordination and event flow.
- **UX Design Workshop Organizer (2024):** Conducted two sessions for 350+ students.
- **SHODH-DIEMS Volunteer (2024):** Assisted guests and event operations.
