PROFESSIONAL SUMMARY

Aspiring MERN Stack Developer with hands-on experience in MongoDB, Express.js, React.js, and Node.js. Motivated Computer Engineering graduate with hands-on experience in web development and strong knowledge of SQL, Linux/Unix, and OOPS concepts. Good analytical and problem-solving skills. Seeking an entry-level IT role to contribute and grow professionally.

EDUCATION

SAVITRIBAI PHULE PUNE UNIVERSITY

Bachelor of Engineering | Computer Engineering, Honour's in Data Science | Pune, IN
Achieved a CGPA of 8.2

June
2025

SOFTWARE EXPERIENCE

Freelance Web Developer – 2025 Present

I developed responsive websites using HTML, CSS, and JavaScript, and built interactive user interfaces using React. I worked on backend development using Node.js and managed databases with MongoDB while performing basic SQL queries. I also worked in a Linux environment for development and testing purposes. Additionally, I troubleshooted technical issues and ensured projects were delivered on time.

PROFESSIONAL EXPERIENCE

Keolis India Pvt. Ltd. | Train Pilot | 2025 Present | Pune, India |

- Worked in a safety-critical operational role
- Followed standard operating procedures and safety guidelines
- Developed discipline, responsibility, and coordination skills
