Professional Summary

Frontend Developer with UI Expertise and 1+ year of experience in building scalable, responsive, and user-friendly web applications using React.js, Redux Toolkit, and JavaScript (ES6+). Strong understanding of UI/UX principles, responsive design, and modern layout techniques. Skilled in REST API integration, state management, and performance optimization. Passionate about creating visually appealing and high-performance applications with clean and maintainable code.

Work Experience

Frontend Developer with UI Expertise | Techsaga Corporation (July 2024 – Present)

- Developed responsive and visually engaging web applications using React.js, Redux Toolkit, and Bootstrap.
- Designed and implemented modern UI components with focus on user experience and accessibility.
- Built reusable and modular components, improving code maintainability and scalability.
- Integrated REST APIs using Axios and optimized data fetching.
- Collaborated with backend teams for seamless API integration and better UI/UX delivery.

Projects

React E-commerce Application

- Developed a scalable e-commerce web application with product listing, search, filtering, and cart functionality.
- Designed a responsive and user-friendly UI for better user experience.
- Implemented add-to-cart and quantity management using React Hooks and Context API.
- Used localStorage for cart data persistence across sessions.

React Admin Panel

- Built a secure admin dashboard with authentication and protected routes using React Router.
- Designed reusable UI components and implemented form validation for better usability.
- Performed CRUD operations and managed application state using Context API.
- Enhanced UI responsiveness and user interaction experience.

LMS (Learning Management System) Website

- Developed a Learning Management System (LMS) with course listing, search, and filtering functionality.
- Integrated REST APIs to fetch dynamic course data and display real-time updates.
- Implemented course detail pages with dynamic routing.
- Designed a responsive and user-friendly UI for students and learners.
- Optimized performance for faster loading and smooth navigation.

Technical Skills

Frontend Development:

React.js Redux Toolkit JavaScript (ES6+) Bootstrap 5 HTML5 CSS3 Responsive Design

API & Tools:

REST API Axios Postman Git GitHub VS Code

Design Tools:

Figma Photoshop

Education

Bachelor of Computer Application(BCA)

Glocal University, Saharanpur - Uttar Pradesh | 2024 | 8.2 CGPA

Intermediate Education

Anand Mission Intermediate College - Uttar Pradesh | 2021 | 77%

High School Education

Anand Mission Intermediate College - Uttar Pradesh | 2019 | 82%
