Summary

A passionate BCA (Cyber Security and Forensics) student and MERN-Stack Developer skilled in HTML, CSS, Python, JavaScript (React, Node, Express) with knowledge of cybersecurity, network security, Linux, and blockchain. Strong in secure coding, threat awareness, and responsive web development.

Education

Babu Banarasi Das University <i>Bachelor of Computer Applications (Cyber Security and Forensics)</i>	Lucknow, Uttar Pradesh <i>Pursuing</i>
Sant Tulsi Public School (CBSE) <i>Senior Secondary (Class 12th)</i>	Banda, Uttar Pradesh <i>2023</i>
Sant Tulsi Public School (CBSE) <i>Secondary (Class 10th)</i>	Banda, Uttar Pradesh <i>2021</i>

Experience

Codec Technologies India <i>Cyber Security Intern</i>	June 2025 – July 2025 <i>Lucknow, Uttar Pradesh</i>
- Performed vulnerability assessment and threat analysis to identify security risks. - Applied network security, cryptography, and incident response techniques.	
Webcos Software Solutions <i>Mern-Stack Developer Intern</i>	January 2026 – May 2026 <i>Lucknow, Uttar Pradesh</i>
- Built full-stack web applications using MERN stack technologies. - Implemented scalable solutions following industry best practices.	

Projects

Password Strength Checker — HTML, CSS, JavaScript	July 2025
- Developed a real-time password validation tool with dynamic strength analysis. - Enforced secure password practices through interactive UI.	
BUDGETO (Expense Tracker) — React.js, Node.js, Express.js, MongoDB	April 2026
- Developed a full-stack MERN application for tracking income, expenses, and budgets. - Built and integrated RESTful APIs for secure data handling and transactions. - Implemented user authentication and CRUD operations for efficient data management. - Designed a responsive dashboard with real-time expense analysis using React.js.	

Skills

Languages: Python, C, HTML/CSS, JavaScript(React, Node, Express).

Developer Tools: VS Code, Android Studio.

Technologies/Frameworks: Linux, GitHub.

Core Competencies: Cybersecurity, Blockchain, Network Security, Cloud Computing.

Soft Skills: Communication, Teamwork, Critical Thinking, Time Management.

Certifications

IBM Certification <i>Cyber Security And Forensics</i>	December 2025 <i>Course Curriculum</i>
Cisco Certification <i>Networking and Cybersecurity</i>	August 2025
LinkedIn Learning Certification <i>Career Essentials in Generative AI</i>	April 2025
