

NAMITHA CV

cvnamitha5@gmail.com | +91 8590697805 | www.linkedin.com/in/namitha-cv

EXPERIENCE

Dotnet Developer at Quest Innovative Solutions Pvt Ltd ,Kerala,India

ASP.NET CORE MVC Developer

Pacelab Pvt Ltd Kochi Internship in Java Full Stack Developement

EDUCATION

Bachelor of Technology in Computer Science and Engineering

Gratuated in 2024

Sreenarayana Gurukulam College Of Engineering Ernakulam

Higher Secondary

WOHSS PINANGODE

Higher School

Nss Hss Kalpetta

TECHNICAL SKILLS

Programming Language : C ,C#, JAVA , Angular, Asp.NET MVC

Frontend : HTML.CSS,JavaScript ,jQuery ,Bootstrap

Database : MySQL,MSSQL

Strong Knowledge :Object Oriented Programming (OOPs)Concepts,Data Structure and Algorithms (DSA)

PROJECTS

Digital Evidence Management using Blockchain

Digital evidences are managed by using Blockchain technology .the digital data sources and the increasing complexity of cybercrimes necessitate robust and secure methods for handling digital evidence. Key components of the framework include the creation of digital evidence tokens secure storage and retrieval mechanisms ,chain of custody management and smart contract-based automation of evidence handling processes

Technologies used : C#,HTML,CSS ,Blockchain

League Score Prediction System

Build a prediction system that takes in data from matches played in past and make prediction of future match score depending on the player's performance.

This system support machine learning algorithms such as linear regression, random forest.

Technologies used: Python, HTML, CSS, Linear Regression.

SOFT SKILLS

Problem Solving

Decision Making

Adaptability

Logical Thinking

Quick Learner

Leadership

CERTIFICATS AND TRAINING

- .NET Core Fullstack-Quest Innovative Solutions
- Paper Presented at International Conference on Machine intelligence in Research and Development (ICMIRD'23)
- Java full stack internship -Pacelab Pvt Ltd
