

SHRUTIKA RAJU NAIDU

ADDRESS : Nashik, Maharashtra, India

Mobile No : 9975687995

Email ID : shrutikanaidu165@gmail.com

PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience in building responsive and user-friendly web applications. Skilled in HTML, CSS, JavaScript, and React.js with a strong understanding of component-based development, responsive UI design, API integration, and React Hooks. Passionate about creating interactive web interfaces and seeking an entry-level Frontend Developer role to apply technical skills and grow professionally in web development.

TECHNICAL SKILLS

Backend Languages : C, C++, Python, Node.js

Frontend Languages : HTML, CSS, JavaScript, JQuery, Bootstrap

Database : MySQL, PLSQL

Frameworks : React.js, Express.js

PROJECT WORK

PROJECT 1

Project Title: Todo Application

Technology Used : HTML, CSS, JavaScript, React.js

Description: Developed a responsive Todo Application using React.js for managing daily tasks efficiently. Implemented add, edit, delete, and mark-as-complete functionalities using React Hooks and JavaScript. Designed a user-friendly interface with HTML and CSS and ensured smooth task handling with dynamic rendering.

PROJECT 2

Project Title: Flower E-Commerce Website

Technology Used : HTML, CSS, JavaScript, React.js

Description: Built a responsive Flower E-Commerce Website using React.js and API Fetching concepts. Implemented dynamic product rendering, Add to Cart functionality, and responsive UI components. Used React Hooks, Fetch API, HTML, CSS, and JavaScript to create an interactive and user-friendly shopping experience.

PROJECT 3

Project Title: Calculator Application

Technology Used : HTML, CSS, JavaScript

Description: Developed a functional calculator application with an interactive user interface. Implemented arithmetic operations and real-time input handling using JavaScript. Designed a simple and responsive layout using HTML and CSS for better usability.

EDUCATIONAL QUALIFICATION
