SUMMARY

MERN Stack Developer with hands-on experience building responsive and user-friendly web applications using React.js, Node.js, Express.js, and MongoDB. Skilled in developing REST APIs, implementing JWT authentication, and creating mobile-friendly user interfaces with Tailwind CSS. Experienced in building full-stack applications, integrating databases, and developing scalable web solutions. Passionate about clean code, problem-solving, and modern web development. Seeking an opportunity to contribute to a growth-oriented software development team.

EDUCATION

Yashwantrao Chavan Maharashtra Open University (YCMOU), Nashik

Bachelor of Computer Applications (BCA) – Web Development, CGPA: 6.2/10, Achievements: Top 3 in Class, Quiz Champion

S.H.A. Rais High School & Junior College, Bhiwandi

Class XII – Maharashtra Board, Percentage: 56.1%

2023

Al-Hamd High School & Junior College, Bhiwandi

Class X – Maharashtra Board, Percentage: 78.8%

2021

PROJECTS

Lumen Commerce – Full-Stack E-Commerce Web Application | Tech Stack: React.js, Node.js, Express.js, MongoDB, Tailwind CSS, REST API, JWT

- Developed a full-stack e-commerce platform with user registration, authentication, product browsing, cart management, wishlist functionality, and order placement.
- Built secure JWT-based authentication and authorization for user account management.
- Designed and integrated REST APIs for products, categories, inventory, and order management.
- Developed an Admin Dashboard with CRUD operations for managing users, products, categories, and customer orders.
- Implemented responsive and mobile-friendly UI using React.js and Tailwind CSS.
- Integrated MongoDB for efficient data storage and management.

World Map App – REST API Driven Web Application | Tech Stack: React.js, JavaScript, Tailwind CSS, REST API

- Developed an interactive application that displays real-time country information using a public REST API.
- Implemented country search, region filtering, and dynamic data rendering features.
- Designed a responsive and user-friendly interface with React.js and Tailwind CSS.
- Improved user experience through clean navigation and mobile-responsive design.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Tailwind CSS, jQuery

Backend: Node.js, Express.js, REST APIs, JWT Authentication, CRUD Operations

Database: MongoDB, MySQL

Tools: Git, GitHub, VS Code, Postman

Core Skills: Responsive Design, Cross-Browser Compatibility, API Integration, UI Development

ACHIEVEMENTS

- Ranked among the Top 3 students during the BCA program. - Awarded Quiz Champion for academic performance. - Active collaborator in team projects with strong communication and teamwork skills. - Maintain discipline through regular sports and fitness activities.
