SUMMARY

I am an aspiring developer with a solid foundation in Java, Android, databases, and C. I have gained practical experience through academic projects and internships, actively focusing on app development. I am eager to collaborate with experienced engineers on real-world challenges, developing responsive, user-oriented digital experiences while staying up-to-date with innovative technologies to deliver efficient solutions

EXPERIENCE

App Developer Intern

📅 09/2023 12/2023 📍 Amravati, Maharashtra

App Developer Intern

- Developed an android-based app to enhance frontend and backend
