

Shivam Waghmare

Web Developer (Frontend / Backend)

Bhandara, Maharashtra • +91 7666976093 • shivamwagm@gmail.com

Portfolio • GitHub

Professional Summary

Frontend-focused Web Developer with hands-on experience in building role-based web applications using React, JavaScript (ES6+), and Tailwind CSS. Proficient in developing and maintaining production-style dashboards and responsive SPA with REST API integration using Node.js. Published JavaScript utility NPM package with real-world adoption. Comfortable in fast-paced environments with eagerness for real project ownership and growth.

Core Skills

Frontend: React.js (Hooks, Context API), JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Responsive/Mobile-First Design

Backend (Supporting): Node.js, Express.js, MySQL, MongoDB

Integration: REST APIs, Axios, Fetch, Basic Authentication flows

Developer Tools: Git, GitHub, VS Code, Postman

Projects

Voucher Entry & Approval System (School Finance Workflow) React, Tailwind CSS, Node.js, MySQL

- Built a role-based frontend and backend system for voucher entry, approval, and transaction tracking.
- Developed responsive dashboards and forms for managing vendors and approval states with real-time REST API integration.
- Optimized server-side queries and centralized workflows to improve transparency and reduce manual tracking.

Coderkit – JavaScript Utility NPM Package Published on NPM

- Created and published a utility package with 700+ downloads to minimize redundant logic in JavaScript projects.

Personal Portfolio Website React, Tailwind CSS

- Designed and deployed a single page application portfolio focusing on performance, responsiveness, and UI clarity.

Work Experience

Frontend Developer Intern, PearlThoughts July 2025 – August 2025

Remote

- Developed responsive and accessible UI components using React and Tailwind CSS.
- Collaborated with designers and backend developers for API integration in frontend views.
- Refactored components to ensure reusability and maintainability.

Education

Bachelor of Commerce in Computer Applications (BCCA) Rashtrasant Tukadoji Maharaj Nagpur University

2023 – Present
