

EDUCATION

Bachelor of Technology in Computer Science and Engineering

08/2022 - 05/2026

NIMS University • India | SGPA: 7.00

TECHNICAL SKILLS

Frontend:	HTML5, CSS3, JavaScript (ES6+), ReactJS, Tailwind CSS, MS excel,	Languages:	JavaScript, Python, SQL
Soft Skills:	Problem Solving • Communication • Team Collaboration • Time Management		

PROJECTS

Personal Portfolio Website | [HTML](#), [Tailwind CSS](#), [react](#),

- Designed and built a fully responsive personal portfolio to showcase projects, skills, and achievements
- Implemented smooth scroll animations, interactive UI components, and mobile-first layout using pure CSS & JS
- Optimized page load performance and cross-browser compatibility for a seamless user experience
- Deployed live on GitHub Pages; demonstrates clean code structure and UI/UX design sensibility

AI Assistant | [HTML](#), [CSS](#), [JavaScript](#)

- Built a browser-based AI assistant interface using vanilla JavaScript integrated with an AI/NLP API
- Implemented real-time chat UI with dynamic message rendering, loading states, and error handling
- Designed a clean, accessible conversational interface with responsive layout for mobile and desktop
- Applied fetch API for asynchronous communication and managed conversation history in client state

To-Do List App | [HTML](#), [CSS](#), [JavaScript](#)

- Created a feature-rich task management app with add, edit, delete, and mark-complete functionality
- Used local Storage for persistent data storage so tasks survive page refreshes without a backend
- Implemented filtering (All / Active / Completed) and drag-and-drop reordering for better UX
- Styled with custom CSS including smooth transitions and a clean, minimalist design language

INTERNSHIP

Web Developer Intern | [Code Chef](#)

- Worked as a Web Developer Intern at Code Chef, contributing to frontend development of the platform
- Built and maintained responsive web pages using HTML, CSS, and JavaScript
- Collaborated with the design and backend teams to implement new features and improve UI/UX
- Gained hands-on experience in professional software development workflows and code review practices
