OBJECTIVE

I am Vaibhvee, a dedicated and enthusiastic B.Tech student specializing in Computer Science Engineering. With a strong academic background and hands-on experience in cloud computing and automation, I am passionate about leveraging technology to solve real-world problems. I have a solid grasp of programming languages such as Python, Java, and C++, and I enjoy building innovative projects that reflect creativity and logic.

Curious and tech-savvy Computer Science Engineering student with a strong academic background and a deep passion for software development and innovation.

Continuously exploring emerging technologies and building hands-on experience with modern development tools and frameworks, including the MERN Stack, MongoDB, Express.js, React, Node.js, and Stream-lit.

Known for being organized, adaptable, and a quick learner, with a proven ability to thrive in fast-paced, collaborative environments.

EDUCATION

Bachelor of Technology

Computer Science Engineering Specialization in Cloud Computing and Automation

VIT Bhopal University

CGPA - 8.69/10

2023 - 2027

SKILLS

Technical Skills	Java, C++, C, Python, HTML, CSS, Tailwind, JavaScript, Node.js, React
Soft Skills	Team work, Time management, Multitasking and Effective communication
Concepts	Object Oriented Programming, Computer Networks and Operating Systems

PROJECTS

Cloud Based Attendance System Designed and developed a cloud-based attendance system with real-time tracking and remote access. Implemented secure authentication and role-based access for students and administrators. Automated attendance recording and report generation to reduce manual errors. Integrated cloud storage for scalable, reliable, and easy data management.

Phishing URL detection Developed a real-time phishing URL detection system using machine learning techniques to identify malicious links. Improved user security by analyzing URL features and providing instant alerts for suspicious websites.

EXTRA-CURRICULAR ACTIVITIES

- **Core member of the Software Development Club**

I was a part of the Design Team of this club. Designed posters, banners, and creative standees for club events, ensuring strong visual appeal and brand consistency. Collaborated with team members to deliver engaging promotional materials that increased event visibility.

PROFESSIONAL DEVELOPMENT CERTIFICATIONS

- IBM DevOps, Agile Design Thinking certification
- IBM DevOps Fundamentals.
- Google IT Support Professional Certificate
- Applied Machine Learning in Python
- Gen AI Fundamentals – Tutedude (Ongoing, 2026)
