Career Objective

Motivated Information Science and Engineering graduate with hands-on experience in full-stack web application development. Seeking a Software Engineer role to leverage skills in React.js, Laravel, and PHP to build scalable, user-centric applications. Passionate about clean code, intuitive interfaces, and collaborative development.

Experience

Software Engineer

Ziplink Consultancy Private Limited

Pune, Maharashtra

Aug 2025 - Present

- Developed responsive web interfaces using HTML, CSS, JavaScript, and React.js.
- Worked with CodeIgniter and Laravel MVC frameworks to integrate frontend with backend APIs.
- Implemented interactive UI components and improved user experience across web applications.
- Collaborated with backend developers to connect frontend interfaces with MySQL databases and REST APIs.

UI/UX Design Intern

Compsoft Technologies

Bengaluru, Karnataka

Nov 2023 - Dec 2023

- Created a user-centric Car Rental App with seamless UI/UX using Figma for design and prototyping.
- Built interactive prototypes to demonstrate user flows and functionality.
- Delivered clean, responsive UI layouts aligned with modern design principles.

Skills

Technical Skills: HTML, CSS, JavaScript, PHP, MySQL, Git & GitHub, Azure (Boards & Repos)

Frameworks & Concepts: React.js, Laravel, CodeIgniter, RESTful APIs, Swagger, Postman

Professional: Communication, Problem-Solving, Teamwork, Adaptability

Projects

Char Pahiya – Car Rental Platform

GitHub 

- Built a web-based car rental platform supporting user bookings and admin-managed vehicle listings.
- Implemented secure authentication, detailed vehicle listings, and a full-featured admin dashboard with booking flows.
- Technologies: HTML, CSS, JavaScript, Node.js, Express.js, MongoDB, React

JTT Fitness

- Built a dynamic fitness web application using HTML, CSS, JavaScript, Node.js, Express.js, and MongoDB.
- Implemented BMI-based workout plans, fitness tracking, and personalized user features.
- Developed a membership and rewards system with coin earning and redemption functionality.

Education

Atria Institute of Technology

Bachelor of Engineering in Information Science and Engineering; CGPA: 7.00

Bengaluru, Karnataka

Sep 2021 - Jul 2025

Certifications & Training

Python & Machine Learning (*Karunada Technologies, Bengaluru*)

2022

UI/UX Design with Figma (*Compsoft Technologies, Bengaluru*)

2023
