About Me

Creative and enthusiastic Graphic Design fresher with a strong passion for visual communication and digital design. Skilled in creating social media posts, posters, banners, presentations, and branding materials using design tools such as Adobe Photoshop, Illustrator, Canva, and Figma. Eager to apply my creativity, learn from industry professionals, and contribute innovative design solutions in a dynamic work environment.

Career Objective

To secure a Graphic Designer Intern position where I can utilize my creativity, design skills, and passion for visual storytelling while gaining practical industry experience and contributing to impactful design projects.
