## SUMMARY

I am a hardworking and eager learner seeking an opportunity in the IT field where I can apply my knowledge of programming and improve my skills while contributing to the company.

---

## TECHNICAL SKILLS

- **Programming Languages:** Core-Java, Python, R programming, PHP
  - **Web Development:** HTML, CSS, JavaScript
  - **Database Management:** MySQL, SQL server
  - **Tools and Framework:** VS Code, Bootstrap, GitHub
  - **Platform:** WAMP
  - **Soft Skills:** Problem-solving, Teamwork, Analytical Thinking, Adaptability, Team Leadership
- 

## TECHNICAL PROJECTS

### Online Doctor Appointment Booking System

*Tech stack: HTML, CSS, JavaScript*

- Developed a responsive Online Doctor Appointment Booking System using HTML, CSS, and JavaScript, improving user accessibility and interface design.
- Implemented features for doctor search, appointment scheduling, and availability management, enhancing user experience and system efficiency.
- Designed and structured doctor profiles and patient interaction modules, enabling seamless appointment booking and improving usability

### Online Community Issue Reporting System

*Tech stack: HTML, CSS, JavaScript, PHP*

- Developed a web-based Online Community Issue Reporting System (FixMyCity) to enable citizens to report civic issues such as potholes, waste management, and infrastructure problems.
  - Implemented features for complaint submission, location tracking, image upload, and status monitoring, improving transparency and communication between users and authorities.
  - Designed a user-friendly interface and workflow to streamline issue reporting and resolution process, reducing delays and enhancing system efficiency.
- 

## EDUCATION

- **Bachelor of Computer Application (BCA)** | Kamala College, Kolhapur | 2025
- 

## LANGUAGES

- **Hindi**
- **English**

---

## **CERTIFICATES**

- Certificate of completion **Web Development Essential** from IT Vedant.
- Certificate of completion **SQL Deep Dive** from IT Vedant.
