## Professional Summary

Detail-oriented BCA student specializing in data analytics and backend development with strong proficiency in Python, SQL, Power BI, and JavaScript. Experienced in building dashboards, optimizing SQL queries, and developing RESTful backend applications. Strong foundation in data structures and problem-solving. Award-winning communicator seeking data analyst or backend development internship opportunities.

## Education

**Mahatma Jyotiba Phule Rohilkhand University (MJPRU)** Aug 2024 – Present  
*Bachelor of Computer Applications (BCA) – 2nd Year, 4th Semester (Pursuing)* Bareilly, UP

- 1st Semester CGPA: 8.50
- 2nd Semester CGPA: 8.50

**Jai Narayan Saraswati Vidya Mandir Inter College** Apr 2022 – Mar 2024  
*Higher Secondary – Science (PCM)* Bareilly, UP

## Technical Skills

**Programming Languages:** Python, JavaScript, SQL, HTML, CSS, Java  
**Data Analytics & Visualization:** Power BI, Excel (Pivot Tables, Dashboards)  
**Databases & Concepts:** PostgreSQL, SQL Optimization, Data Structures  
**Developer Tools:** Git, GitHub, VS Code  
**Soft Skills:** Communication, Award-Winning Speaker & Writer, Team Collaboration

## Certifications

**Data Analytics Certification** | *Online Learning Platform* 2024

**PostgreSQL Database Management** 2024

**Power BI Dashboard for Data Analytics** 2024

**Introduction to MS Excel** 2024

**Master Mentors GEO – Enabling Indian Scholars** 2024

## Projects

**Data Analytics Dashboard** | *Python, Power BI, PostgreSQL* 2024

- Developed interactive Power BI dashboards for business insights
- Implemented ETL pipelines using Python and PostgreSQL
- Optimized SQL queries, improving data retrieval speed by 30%

**Backend Web Application** | *Python, JavaScript, SQL* 2024

- Built RESTful backend services for web applications
- Integrated PostgreSQL database with complete CRUD functionality
- Used data structures to improve performance and reduce response time

## Achievements & Leadership

**Award-Winning Speaker:** Recognized for excellence in public speaking  
**Award-Winning Writer:** Honored for creative and technical writing  
**Master Mentors Scholar:** Selected for national-level scholar program

## Additional Information

**Career Goal:** To become a future-ready backend or data professional  
**Learning Focus:** Data Science, Backend Development, Emerging Technologies
